

Luoyue Precision Metal (Shanghai) Co.,Ltd

One-Stop Supplier For Aluminum | Steel | Stainless steel | Copper Alloy

Creating high-quality products with advanced production technology and equipment

www.luoyuemetal.com

Company Profile

Luoyue Precision Metal was established in 2018 and belongs to the foreign trade department of Shanghai Aofeng Metal Co., LTD. Originally a joint metal wholesaler (Shanghai Aofeng Metal Products Co., LTD and Shanghai Qianxuan Metal Co., LTD), initially focused on the domestic trade of aluminum products.

From 2005 to 2010, the company located in Jiugan Road, Songjiang District, Shanghai has been growing and expanding, from the original 10 employees to the present 200 employees, and began to divide into different departments, such as sales department, purchasing department, finance department and technology department. Fast structural growth prompted it to open branches across China in 2013. From 2015 to 2020, the company began to enter the field of foreign trade, and successively established Changruilong Metal (Suzhou) Co., LTD., Luoyue Precision Metal (Shanghai)Co., LTD., and Zhejiang Haixiang Metal (Hangzhou) Co., LTD. Focus on the export of metal material.

Company Profile

The main feature of our business is that we provide one-stop metal supply service: as long as customers have metal procurement needs, our company will try to meet all the procurement needs of customers, so that there is no need to find a second source. Its essence is system sale service. Its advantage is that one-stop service can fully and accurately grasp the overall needs of customers, so as to provide exclusive high-end customized services for each customer. Avoid conflicts between business function modules to the greatest extent. We are able to provide such services due to our understanding of the Chinese metal market and the company has accumulated a wealth of high-quality cooperative manufacturers in the metal market and formed solid and trusted cooperation with metal manufacturers all over China. We also provide products from large domestic steel mills, such as Baosteel, TISCO, Tang Steel, Qing steel, Anshan Steel, Bensteel, Han Steel, Shougang and so on. In addition, we also provide foreign standard metal products, such as ASTM, JIS, BS, DIN and so on.

Annealing

Normalizing

Why Choose us?

3. Packaging and Delivey

Packing standard:

We packing according to the following national standard requirements (the parts beyond the requirements will be specified separately):

- GB / T191 packaging-pictorial marking for handling of goods
- GB / T4857 (all parts) basic test for transport packages
- GB / T4879 rustproof packaging
- GB / T5048 damp-proof packing
- GB / T7350 water-proof packing
- GB / T8166 Package cushioning design
- GB/T4892-1996 Hard straight square transport packaging size series

GB/T13201-91 Cylinder transport package size series GB/T16471-1996 Design and make the size limit of transport package

Dear Sir,

Hope this email finds you well,
I am writing this email on behalf of our demand for procurement of Aluminum Alloy Strips, Alumi Alloy Rod & Extruded bar as per details and specifications mentioned below,

- ALUMINIUM ALLOY STRIP 6 MM ± 0.18 MM THICK X 35 MM -2 MM KG WIDE, LENGTH OF STRIP = 2 ± 0.1 MTR ASX 510 TO SPEC. TU-921001 OR BS-1470, MATERIAL DESIGN. 1080A COLD ROLLED COND."F"
- ALUMINIUM ALLOY ROD DIA 12 MM - 0.7 MM, LENGTH 3000MM Spec. GB/T 3191-1998 MAT NO 7A04.T6 CHEMICAL COMPOSITION Cu:1.4-2.0% Mg:1.8-2.8%, Mn:0.2 -0.6% Fe:0.50%, Si:0.5% Zn:5.0-7 %, Cr: 0.10-0.25%,Ti=0.10% Other Impurity Every kind 0.05%,Total 0.10% Al= Remain

PAST INQUIRY

Dear Martin,
Please quote for below material.

SL#	Qty	Material	SIZE [INCHES]	Qty
1	1	4140, 75KSI forged	Ø19.25" X 8.5"	1
2	1	4130, 75 KSI	Ø23.5 X 5.75"	1
3	1	4130, 75 KSI	Ø27" X 6.5"	1
4	2	4130, 75KSI	Ø24.5" X 4.5"	2
5	1	4130, 75KSI	Ø32.5" X 5"	1
6	2	4140, 75KSI forged	Ø13" X 7.5"	2
